

# Portfolio Report

This report provides an overview of my first project(EASY) i.e. my portfolio made with HTML and CSS only. It includes the code structure and styling used to display my details and achievements. **Contents:**

1. Introduction
2. HTML Structure
3. CSS Styling
4. Features
5. Screenshots

## 1. Introduction

- **Project overview** : Description of the portfolio
- **Technologies used** : HTML and CSS

## 2. HTML Structure
